With over 2,500 sq ft of thoughtfully designed living space across three levels, this beautifully appointed residence combines upscale finishes, exceptional outdoor living spaces, and the rare advantage of a fully developed walkout basement—all in one of Calgary's most desirable inner-city neighbourhoods.

The main level welcomes you with rich hardwood floors, crown mouldings, and an open layout designed for both everyday living and upscale entertaining. A dedicated front dining room enjoys large picture windows and natural light, while the gourmet kitchen impresses with granite countertops, stainless steel appliances (including a gas range), walk-in pantry, and a built-in breakfast bar that flows seamlessly into the stylish living area. A cozy gas fireplace and built-in speakers set the mood, while you step out from the living room through a glass door onto your private upper deck - an elevated outdoor area - perfect spot to enjoy morning coffee, weekend BBQs, or evening drinks under the open sky. The side yard entrance adds charm and functionality, ideal for busy lifestyles or backyard access.

Upstairs, the luxurious primary suite is your personal sanctuary, complete with vaulted ceilings, a two-sided fireplace, dual walk-in

closets, and a spa-inspired ensuite with in-floor heat, a deep soaker tub, and feature skylight. Two additional bedrooms also feature walk-in closets with custom organizers.

The fully finished walkout basement offers heated slab floors, a spacious media/family room with surround sound, a fourth bedroom that can also be used for an office or gym, and access to your beautifully designed covered stamped concrete patio, offering a second outdoor lounge area ideal for entertaining, unwinding, or letting kids play safely in the shade. Thoughtfully landscaped with low-maintenance perennials, the yard is both functional and charming.

Notable Features & Upgrades: Triple-pane windows (2023), Tankless hot water heater (2022), High-efficiency furnace, humidifier & water softener (2022-23), Central A/C, LED lighting, permanent exterior lighting, and Detached garage with built-in storage.
