Welcome to the Ashton – a stylish and functional home on a large pie lot, built by a trusted builder. This home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full package of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches – all seamlessly controlled via an Amazon Alexa touchscreen hub. The main floor features a dedicated IT room, built-in lockers in the mudroom, and a walk-through pantry that leads to an executive kitchen with built-in stainless steel appliances, gas cooktop, and a fridge with water and ice dispenser. The open-concept great room is warmed by a sleek gas fireplace and extends to a spacious rear deck – perfect for entertaining. Upstairs, enjoy a vaulted ceiling in the bonus room, a luxurious 5-piece ensuite with walk-in shower and soaker tub, and dual sinks in the main bath. Thoughtfully designed with extra windows for added natural light throughout. Photos are representative.
