Residential on 0.00 Acres

Lincoln Park, Calgary, Alberta

This is honestly one of the best opportunities in a long time to get a big 2-bedroom plus den condo that's almost 1,000 square feet, has tons of natural light, two balconies, a den, and granite counters. Plus, it faces south, so there is a ton of natural light.

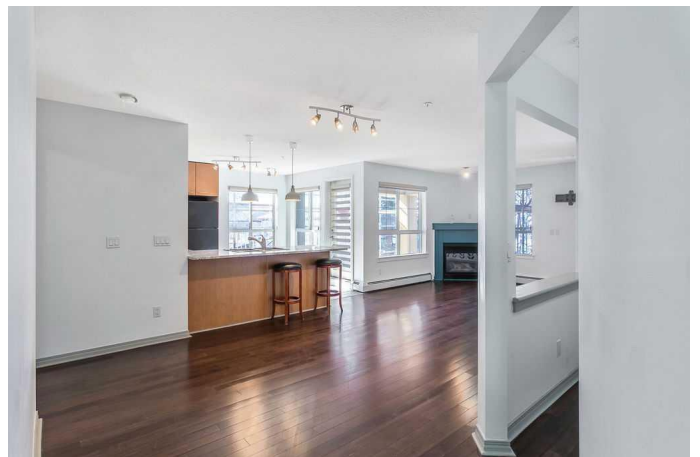

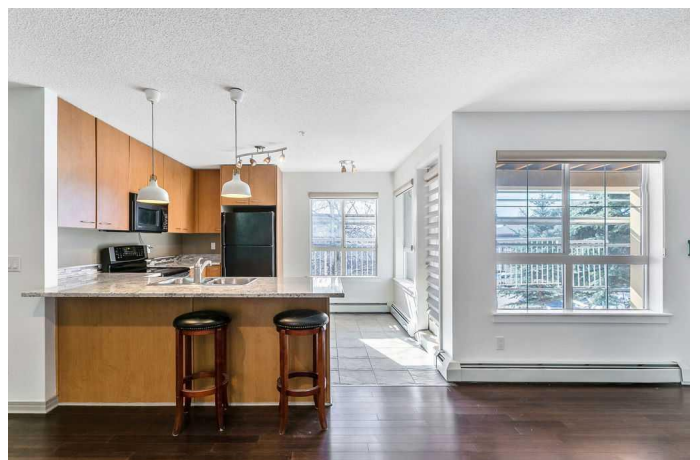

This corner unit is right beside Mount Royal University, which makes it great for first-time buyers, downsizes or investors. Inside, you'll find a functional, open layout with a big kitchen, a cozy gas fireplace, and in-suite laundry. The main bedroom has two closets, its own bathroom, and its own balcony. The second bedroom and bathroom work perfectly for a roommate, guests, or family.

You also get underground parking, a storage locker, and access to the building's gym and courtyard. Shops, cafés, transit, and green spaces are all just steps away. It's move-in ready, super convenient, and offers amazing value in this area. Don't miss this one!
